PATRIOTS' LANDING

OEF/OIF TRANSITIONAL ASSISTANCE HOUSING PROGRAM

Since 1863, the CT Department of Veterans' Affairs at Rocky Hill has offered a continuum of services designed to assist veterans in need.

The *Patriots' Landing* OEF/OIF Transitional Assistance Housing Program was established in the Fall of 2010 in response to a growing need to provide transitional housing services to returning service members who served in Iraq and Afghanistan (OEF-OIF-OND).

MISSION STATEMENT:

Provide temporary, supportive housing and case management services for Connecticut resident Iraq and Afghanistan combat veterans who are homeless or at risk of becoming homeless.

HOUSING LOCATION:

The houses are located on West Street in Rocky Hill, CT across from the CT Department of Veterans' Affairs main campus. The five houses were renovated through a \$250,000 state bond authorization and fully furnished through the support of veterans and community organizations. The houses can accommodate up to fifteen (15) residents, with one house reserved for women veterans. All houses are completely furnished, equipped with kitchen supplies, bedding, furniture, washers & dryers, and full kitchens. The Connecticut Department of Veterans Affairs is responsible for all maintenance and repairs.
